

Fellow Judoka,

You are invited to attend the next Police Sport UK Judo training weekend and team match against Wales/Combined Services which is being held at the Welsh Institute of Sport, Cardiff between the 10th and 12th September 2010. This weekend will form part of the selection process for the 2011 European Police Judo Championships to be held in Paris .

I have emailed a letter of selection to you to forward to your Chief Officer, requesting duty time and assistance with finance, you should print this off, add the requisite names in the space provided and then submit with a covering report to your line manager. There is also a booking form that should be printed off, completed and attached to your payment and sent to me.

The weekend is being subsidised by Police Sport UK and will be in the first instance offered to Police Officers/Police Staff/ Specials and PCSOs who are current members of their own Forces' Sports clubs, there may be some places available to non police judokas, these will be priced at £120 a person for the weekend

There are limited places available and these will be on a "first come first served" basis, so the sooner you have a cheque and booking form to me the better your chance of a place. Andrew Moshinov (BJA Technical Director) will be coaching during the technical sessions.

There are non residential places on the course (open to civilian friends and family as well) at a cost of £20 per person, but they will need to arrange their own accommodation and meals.

The itinerary for the weekend is as follows:
