1. Amendments to Dan Grade syllabus – CH discussed these and the implications for PSUK members.
2. Inclusion of new weight category (Under 66kg) – Discussion took place regarding the inclusion of this category. The under 73 kg this year contained 6 players who could have fought at the lower weight category and 2 players who could have competed at under 60kg. There is no under 60kg in USPE, however there is in National Teams and it was agreed to include under 66kg at the next championship, it was noted that if there is a poor entry, then weights can always be combined. **Action AM/CH/MC and DD**
3. Update on job descriptions – Andy Grand was given a first draft of his job description, other members of the committee were asked to review and update theirs. AG also agreed to be responsible for maintaining a record of: Officials, results and trophies. **Action AG**
4. Kyu grade categories, it was reiterated that kyu grades must have graded within the previous 12 months of competing and that a kyu grade should only win a kyu category twice before fighting in the open grade category.
